Cullen | Dykman

Andrew Nitkewicz and Thomas Wassel Presented to the Long Island Oral and Maxillofacial Surgery Associates, LLP

July 27, 2018

Andrew P. Nitkewicz and Thomas B. Wassel, attorneys in Cullen and Dykman LLP, made a presentation to the Long Island Oral and Maxillofacial Surgery Associates, LLP on July 19, 2018 discussing HIPAA and Sexual Harassment laws.

The presentation addressed Federal and State healthcare privacy compliance requirements for the private medical and dental practitioners. The Long Island Oral and Maxillofacial Surgery Associates is a dental practice which specializes in dental implants, wisdom teeth and jaw surgery.

Andrew frequently provides medical practitioners with counsel on HIPAA compliance, and Tom assists clients in developing policies and procedures designed to comply with all applicable laws in order to help minimize employer liability.
