Andrew P. Nitkewicz Recently Quoted in a Law 360 Article

March 4, 2022

Andrew P. Nitkewicz, head of the firm's Trusts and Estates Department, was recently quoted in a Law 360 article titled "Insurers Back States' Push For Suit Funding Transparency." The article discusses recent legislation that would require litigants to disclose third-party funding in several states.

Andrew is a seasoned litigator who focuses his practice on estate, trust, and commercial matters. He also regularly litigates medical and dental malpractice matters, and he serves as general and litigation counsel to litigation funding companies, doctors, dentists, oral surgeons, chiropractors, nurses, pharmacists, and other medical professionals and medical service providers.

About Cullen and Dykman's Trusts and Estates Department

Located in our New York City, Garden City and Hackensack offices, our trusts and estates attorneys prepare wills and other wealth transfer documents for clients with varying family circumstances and levels of wealth. We assist clients with the selection and preparation of documents ranging from generation-skipping trusts for grandchildren to special needs trusts designed to ensure continued access to Medicaid, always giving due consideration to the frequently-changing laws that govern wealth transfers and taxation. Our firm's long history is a testament to our dedication to practicality and cost-effectively meeting our clients' estate planning needs.

About Cullen and Dykman

Cullen and Dykman (www.cullenllp.com) has been providing legal services to institutional clients since 1850. The firm represents a wide range of clients, including banks and other financial institutions, energy, telecommunications and water companies, construction companies, insurers, educational institutions, religious organizations, and not-for-profits. With over 190 attorneys in seven offices located throughout the Northeast and MidAtlantic regions, Cullen and Dykman is strategically positioned to meet the changing needs and demands of our clients.
