## Program Description:

This year's version of this important annual conference will provide you with the rock-solid advice and strategies you need to help your clients get the most out of their M&A transactions. The day begins with an insightful overview of current and future M&A trends, then delves into important topics for your M&A practice, and concludes with lessons learned from war stories.

## About Cullen and Dykman's Tax Department

Our Tax Department attorneys provide clients with innovative and practical tax solutions for their matters while learning the ins and outs of the clients' needs and future goals. We are there to assist our clients with every step of their decision-making, from business formation and choice of entity, the tax aspects of transaction financing, to the choice of structure for the clients' investment and exit transactions. We advise on all aspects of federal and state tax laws in transactions ranging from taxable and tax-free mergers and acquisitions and rollovers to spin-offs, reorganizations and restructurings. We also provide post-transaction counsel and planning, including with respect to the most common aspects of day-to-day business operations, to help our clients achieve the utmost success in meeting their long-term goals.
