

Corporate

Our firm's Corporate practice focuses on using practical and cost-effective legal solutions to meet clients' business objectives across a broad array of transactions and industries. We work closely with our clients to provide strategic advice and representation for complex transactions, corporate formations and governance matters, and day-to-day operational issues. Our clients include companies and entrepreneurs throughout the Northeast and Mid-Atlantic regions of the United States, and we have represented many of our corporate clients for decades.

Full-Service Representation for Complex Corporate Matters

Our corporate lawyers advise public and privately-held companies with regard to all types of corporate and commercial transactions. This includes matters such as:

- Entity formations
- Corporate restructurings
- Mergers and acquisitions
- Joint ventures
- Commercial finance
- Commercial real estate leasing, acquisitions and dispositions
- General corporate and tax (federal, state, and local)

Extensive Legal Knowledge Combined with Deep Industry Insights

Our industry experience includes representing clients in the fields of banking and financial services, engineering, energy and utilities, environmental, retail, manufacturing, health care, technology, not-for profit, higher education, and telecommunications. We take a comprehensive and hands-on approach to helping our clients overcome legal challenges, and we offer all of our corporate clients cost-effective rates while providing strategic counsel that is tailored to their unique business needs and objectives.
