

Court Grants Pre-suit Inspection of Cell Phone by Forensic Engineer

September 2, 2022

Andria Simone Kelly, a partner in the firm's General Liability, Tort and Insurance Defense Department, successfully argued that the data contained on claimant delivery app driver's cell phone was critical to the defense of the claim and time sensitive. John Gabriel, an associate in the firm's General Liability, Tort, and Insurance Defense Department, worked closely with a forensic engineer to prepare an expert affidavit that convinced the Court that the pre-suit analysis of the cell phone should be permitted to avoid the potential disappearance of such data.

About Cullen and Dykman's General Liability, Tort and Insurance Defense Department

Our litigation attorneys represent individuals and corporations in general liability, tort and insurance defense matters ranging from personal injury and insurance coverage disputes to large-scale commercial litigation. Clients frequently engage our litigators to act as trial counsel in high-exposure cases, and we have extensive experience in appellate litigation involving liability and insurance matters.

About Cullen and Dykman

Cullen and Dykman (www.cullenllp.com) has been providing legal services to institutional clients since 1850. The firm represents a wide range of clients, including banks and other financial institutions, energy, telecommunications and water companies, construction companies, insurers, educational institutions, religious organizations, and not-for-profits. With over 190 attorneys in seven offices located throughout the Northeast and Mid Atlantic regions, Cullen and Dykman is strategically positioned to meet the changing needs and demands of our clients.
