About Cullen and Dykman’s Environmental Department

The attorneys in our Environmental department counsel clients on environmental matters in a variety of contexts and across a broad range of industries. Our attorneys’ deep knowledge and experience in this field allow us to offer effective and practical solutions to the challenging issues our clients face on a day-to-day basis. We regularly advise clients on issues involving environmental permitting, risk assessments, due diligence, liability allocation and operational compliance, and we represent clients in litigation, transactions and regulatory matters. Our reputation in environmental law is built on our knowledge of our clients’ businesses and our ability to align our legal services with their business needs and objectives.
