Gregory G. Nickson is a partner in the firm's Energy, Renewables and Utilities department. He represents regulated Energy, Renewables and Utilities clients in a variety of matters before state public utility commissions and federal agencies, as well as in federal and state court. Gregory counsels clients on regulatory compliance, mergers, and acquisitions, asset sales, licensing proceedings, prudence matters, environmental and energy matters, risk minimization, litigation avoidance, and litigation management. He also represents clients in obtaining state regulatory approval for financings and restructurings. His practice also includes representing clients in complex rate proceedings and matters related to interconnection, energy efficiency and renewable energy.
