Jeffrey A. Zenn is a partner in the firm's Banking Department. His transactional practice involves commercial mortgage and asset-based lending; all aspects of commercial real estate, including purchasing, selling and leasing commercial property; business entity formation and reorganization; buying and selling businesses in asset and stock transactions; private equity investments; mergers and acquisitions; condominium development and homeowners' association matters; redevelopment law, including development of affordable housing using low-income housing tax credits as well as taxable and tax-exempt bond financing; land use on behalf of developers and municipalities; utility law; environmental compliance; and permitting for waterfront development.

In his litigation practice, Jeff has appeared before the New Jersey Supreme Court and all other New Jersey courts in matters involving prerogative writs relating to land use and municipal law issues, utility authority law, Mt. Laurel litigation, business disputes, real estate tax appeals, condemnation proceedings, condominium law, landlord-tenant disputes, mortgage disputes, and tax sale certificate foreclosures.
