## Webinar Description:

This program has applied for continuing education credit: RE Brokers 2 Core CE (pending), NJ Attorneys 2 CLE (pending), and Architects 2 LU (pending). From the latest on reopening efforts to compliance with new green infrastructure stormwater rules, NAIOP NJ's annual Regulatory, Legislative & Legal Update will bring government officials and industry experts to your screen on June 10 (9-11AM Eastern Time). Jose Lozano (Co-Chair of the NJ Restart & Recovery Advisory Council, and President of Choose New Jersey) will keynote, sharing insights on the COVID-19 response and higher-level issues that will affect policy decisions going forward. The program will also feature discussions on: COVID-19 Key Agency Changes in Processes & Procedures; Land Use Issues (the PACT Initiative, SRRA/RAP Stakeholder processes, New Site Remediation Standards, PFAS and more); and Legal Updates & Water Issues (Public Shoreline Access, Navigable Waters Protection Rule, the New "Green Infrastructure" Stormwater Rules, and the recent C1 Waters Adoption Effect on Development). Speakers will include:

Robert Austin, DCA Division of Codes & Standards

Shawn LaTourette, NJ DEP

Tony DiLodovico, Bowman Consulting

Marilyn Lennon, PS&S

Bob March, Langan Engineering & Environmental Services

Mark Pedersen, NJ DEP

Don Richardson, EWMA

Dennis Toft, Chiesa Shahinian & Giantomasi

Neil Yoskin, Cullen & Dykman

As part of the Building a Better NJ series, this Webinar is applying for 2 continuing education credits for NJ Brokers/Salespersons (core), Attorneys, and Architects. This program is sponsored by our 2020 Master Sponsors.
