Webinar Description:

The major topics of BCONE's May Roundtable will be COVID-19 NJ Executive and Administrative Orders and their Impact on Remediation and Redevelopment and NJEDA's New Brownfield offerings, including the Revolving Loan Fund. The presentation will be by Neil Yoskin, Esq. of Cullen and Dykman LLP and Elizabeth Limbrick, PG, LSRP and Senior Brownfields Advisor, Policy, Planning & Research at NJEDA. The Roundtable will be moderated by David Bausmith, PE, Regional Operations Manager, Site Mitigation East, AEI Consultants. BCONE is delighted that all 3 presenters are active members of the BCONE Advisory Council.

The presentations will be informative but short and time will be allowed for a question and answer period. The rest of the event is an interactive open forum roundtable discussion moderated by Mr. Bausmith. During this part of the program, attendees are given an opportunity to identify critical issues or concerns they feel directly impacts brownfield and related work. Due to the "alternate learning format," every attendee should participate with questions and Roundtable discussion. There may be the need to include some random questions for your response to satisfy the issuance of the credits.

All BCONE Members and LSRPA Members and Associate Members are invited and encouraged to participate in the discussion. Seating is limited so register now to ensure your spot at this roundtable BYOB ~ "Bring your own Breakfast"!
