

Partner Daniel I. Winter Successfully Represented a Firm Client in a High-Profile Investigation Relating to the Deaths of Frontline Workers at a Metropolitan Area Hospital

November 9, 2020

Congratulations to partner Dan Winter of the firm's Hackensack NJ office in successfully representing a firm client in connection with a government investigation relating to the deaths of frontline workers at a metropolitan area hospital. In this high profile investigation Dan, along with firm partner Brian Donnelly, helped the client navigate a series of employee interviews and voluminous document reviews eventually leading to the government closing its investigation with no deficiencies or violations found.
