What made you interested in law as a Career?

In undergrad, I had internships at the Texas State Capitol and an Immigration Law firm in Houston. I really enjoyed the legal aspects of those internships. Additionally, in the professional jobs that I worked between undergrad and law school, I most appreciated the client counseling, advocating, and problem-solving aspects of them – all things lawyers do on the daily basis!

What is your favorite thing to do outside of work?

I love going to concerts, dance classes, and trying new restaurants.

What made you want to apply to Cullen and Dykman's Summer Associate Program?

Cullen & Dykman's wide range of practice areas initially attracted me to apply. Also, as one of New York's oldest law firms, Cullen & Dykman has a strong network of attorneys with invaluable experience in the law. I felt that the firm would give me the right tools to grow as an attorney.

What have you enjoyed most about Cullen and Dykman's program so far?

I have thoroughly enjoyed the various social events the firm has scheduled for us associates. The events have really given us a chance to build genuine relationships with the attorneys in all of Cullen & Dykman's offices.

What academic/professional achievement are you most proud of?

Winning 1st Place in Arbitration at the 2021 National FINRA Dispute Resolution Triathlon competition.

Favorite Quote?

"I have loved the stars too fondly to be fearful of the night." – Sarah Williams

What advice do you have for prospective Summer Associates?

Work on assignments in as many practice areas as you can. You never know what areas of the law might interest you. Also, take the time to have lunch or coffee with different attorneys at the firm and build relationships.
